

**INDEPENDENT AUDITOR'S REPORT**To the Members of **K M SPIRITS AND ALLIED INDUTRIES LIMITED****Report on the Standalone Ind AS Financial Statements**

We have audited the accompanying standalone Ind AS financial statements of **K M SPIRITS AND ALLIED INDUTRIES LIMITED**, which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss, and a summary of significant accounting policies and other explanatory information.

**Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

## Opinion

In our opinion and to the best of our information and according to the explanations given to us, the standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF K M SPIRITS AND ALLIED INDUSTRIES LIMITED

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of K M SPIRITS AND ALLIED INDUSTRIES LIMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**KM Spirits and Allied Industries Ltd**  
**Notes to the Financial Statements for the year ended 31st March 2022**

**1. Corporate Information**

**K M SPIRITS AND ALLIED INDSTRIES LIMITED** is a public limited company incorporated and domiciled in India. The registered office of the Company is situated at 76, Eldeco Greens, Gomti Nagar, Lucknow, Uttar Pradesh - 226010.

The Company has proposed to carry on the business as distiller, manufacturer, procurer, importer, exporter, agent, broker, supplier, wholesaler of all types of spirits- ethanol alcohol, Extra Neutral Alcohol, Rectified Spirit and Spirit for Human Consumption etc.

**Explanation of transition to Ind AS**

These financial statements, for the year ended 31st March, 2022, are the first financial statements, the Company has prepared in accordance with Ind AS. Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for year ended 31st March, 2022.

This note explains the principal adjustments made by the Company and an explanation on how the transition from the previous GAAP to Ind AS has affected its financial statements. Set out below are the applicable Ind AS 101 optional exemptions and mandatory exceptions applied in the transition from the previous GAAP to Ind AS:

- (a) The Company has elected to continue with carrying value of all Property, plant and equipment under the previous GAAP as deemed cost as at the transition date. Under the previous GAAP, Property, plant and equipment were stated at their original cost (net of accumulated depreciation, amortization and impairment), if any, adjusted by revaluation of certain assets.
- (b) The Company has elected to continue with the carrying value of Capital work in progress as recognized under the previous GAAP as deemed cost as at the transition date.
- (c) The Company has elected to continue with the carrying value for intangible assets (computer software) as recognized under the previous GAAP as deemed cost as at the transition date. Under the previous GAAP, Computer Software was stated at its original cost, net of accumulated amortization.
- (d) Appendix C to Ind AS 17 requires an entity to assess whether a contract or arrangement contains a lease. In accordance with IndAS17, this assessment should be carried out at the inception of the contract or arrangement. However, the Company has used Ind AS 101 exemption and assessed all arrangements for embedded leases based on conditions in place as at the date of transition.
- (e) The Company has elected to apply previous GAAP carrying amount of its investment in its subsidiary as deemed cost as at the date of transition. Under Ind AS 109, at initial recognition of a financial asset, an entity may make an irrevocable election to present subsequent changes in the fair value of an investment in an equity instrument in other comprehensive income. Ind AS101 allows such designation of previously recognized financial assets, as 'FVTOCI' on the basis of the facts and circumstances that existed at the date of transition to Ind AS. Accordingly, the Company has designated its investments in certain equity instruments at fair value through other comprehensive income on the basis of the facts and circumstances that existed as at the date of transition to Ind AS.

borrowings. This foreign currency risk is covered by using foreign exchange forward contracts and currency swap contracts. The company does not have substantial transactions during the year in foreign currency so the company does not have such kind of risk.

### **(iii) Regulatory risk**

Sugar industry is regulated both by central government as well as state government. Central and state governments policies and regulations affect the Sugar industry and the Company's operations and profitability. Distillery business is also dependent on the Government policy. However, with the removal of major regulatory control on sugar sales by the Central Government, the regulatory risk are moderated.

### **(iv) Commodity price risk**

Sugar industry being cyclical in nature, realizations get adversely affected during downturn. Higher cane price or higher production than the demand ultimately affect profitability. The Company has mitigated this risk by well integrated business model by diversifying into co-generation and distillation, thereby utilizing the by-products. Credit risk Credit risk is the risk that counterparty will not meet its Obligations under a financial instrument or customer contract, leading to a financial loss. The company's sugar sales are mostly on cash. Power and ethanol are sold to state government entities; thereby the credit default risk is significantly mitigated.

The impairment for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each balance sheet date. Financial assets are written off when there is no reasonable expectation of recovery, however, the Company continues to attempt to recover the receivables. Where recoveries are made, these are recognized in the Statement of Profit and Loss.

### **(v) Trade receivables**

Trade receivables are non-interest bearing and are generally on cash basis. An impairment analysis is performed at each balance sheet date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The maximum exposure to credit risk at the balance sheet date is the carrying value of each class of financial assets disclosed under.

### **(vi) Liquidity Risk**

Liquidity risk refers to the probability of loss arising from a situation where there will not be enough cash and/or cash equivalents to meet the needs of depositors and borrowers, sale of illiquid assets will yield less than their fair value and illiquid assets will not be sold at the desired time due to lack of buyers. The primary objective of liquidity management is to provide for sufficient cash and cash equivalents at all times and any place in the world to enable us to meet our payment obligations. The company is maintaining cash credit limit to a reasonable level to meet out the current obligation.

## **2. Earnings per Share**

Basic and Diluted EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the company by the weighted average number of Equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential Equity shares into Equity shares

#### 5. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's policy is to keep the gearing ratio under control except for the first quarter of the financial year due to non-payment of cane dues. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and short-term deposits.

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2020:

#### Capital Management

(In Rs.)

Description	31 March 2022
Borrowings	-
Other Liabilities	-

#### **E. Borrowings:**

Ind AS requires transaction costs incurred towards origination of borrowings to be deducted from the carrying amount of borrowings on initial recognition. These costs are recognized in profit or loss over the tenure of the borrowing as part of the interest expense by applying the effective interest rate method. Under previous GAAP, transaction costs incurred in connection with borrowings are accounted upfront and charged to Statement of Profit and Loss for the period in which such transaction costs are incurred.

- F. Deferred tax:** Previous GAAP required deferred tax accounting using the income statement approach, which focuses on differences between taxable profits and accounting profits for the year. Ind AS 12 requires entities to account for deferred taxes using the balance sheet approach, which focuses on temporary differences between the carrying amount of an asset or liability in the balance sheet and its tax base. The application of Ind AS 12 approach has resulted in recognition of deferred tax on new temporary differences which were not required under the previous GAAP. Moreover, carry forward of unused tax credits are to be treated as deferred tax assets which was earlier considered as Other non-current non-financial assets.

Retained earnings as at the transition date has been adjusted consequent to the above Ind AS transitional adjustments.

#### **G. Government Grant**

Under Previous GAAP, Loan taken from government was not considered as government grant. Now, under Ind AS 20 loans received from government at concessional rate would be considered as government grant. and its value will be determined under Ind As 109 and 32. Difference between amount under GAAP was

#### **H. Capital Reserve**

Certain government grant was received by the Company in past years as grant in the nature of promoter's contribution and recognized under Capital reserve as required under the previous GAAP. Ind AS does not permit recognition of government grant in the nature of promoter contribution to capital reserve. Under Ind AS, such government grants are required to be treated as an asset related grant and to be presented in the balance sheet by setting up the grant as deferred income..

#### **I. Corporate Guarantee Given by Holding Company to Subsidiary. NA**

#### **J. Revenue from sale of goods**

Under the previous GAAP, revenue from sale of goods was presented as net of excise duty on sales. However, under Ind AS, revenue from sale of goods includes excise duty and such excise duty is separately presented as an expense on the face of the Statement of Profit and Loss.

### Interest Income

The previous GAAP required the recognition of revenue from interest on time proportion basis. However, Ind AS requires interest on financial assets to be recognized using the effective interest rate method.

### K. Defined benefit liabilities:

As under the previous GAAP, under Ind AS, also the Company continues to recognize costs related to its post-employment defined benefit plan on an actuarial basis. The entire cost, including actuarial gains and losses, was charged to the Statement of Profit and Loss. Under Ind AS, re-measurements of defined benefit plan are recognized in the Balance Sheet with a corresponding debit or credit to equity through Other Comprehensive Income (OCI).

### L. Finance cost

Unwinding effect related to Financial Liability is recognised as Finance cost. It is mainly related to borrowing taken from government at concessional rate.

### M. Total comprehensive income and other comprehensive income:

Under the previous GAAP, the company did not present total comprehensive income and other comprehensive income. Hence, it has reconciled the previous GAAP profit to profit as per Ind AS. Further, the previous GAAP profit is reconciled to other comprehensive income and total comprehensive income as per Ind AS.

### Components of other comprehensive income
